Professional Photographs March 27th & 28th

Professional photography sessions will be held for inmates and their families on March 27th and 28th during normal visiting hours. Each photo session will be scheduled for 10-minutes. No individual inmate photos will be taken during the session. The best photograph from the shoot will be selected by the photographer and printed for each family's package. Photo prints will be available for visitors to pick up at the depot approximately 2-3 weeks later.

Order your photo package today! All photo packages must be pre-paid directly to the vendor. The order form at the bottom of this flier, along with a check or money order for the exact amount, must be received by the photographer no later than **March 15, 2010**. Please allow time for mailing to ensure you do not miss the deadline.

Important Notes: All DOC Clothing Standards still apply to everyone. A shirt and/or tie may be brought in by the visitor for the inmate to wear during the photo session; however, any clothing brought in **must** be removed from the facility with the visitor at the end of the visit. Add-on prints may only be ordered if a photo package is ordered, as the photo package prices include the sitting fee.
